DEFEND NHS STAFF CONSCIENCE RIGHTS

Following the fall of the Leadbeater assisted suicide Bill, fresh bids to introduce an assisted dying law in England and Wales are anticipated. Any new law would likely pressure NHS staff to be involved in some way and offer even less protection to institutions like hospices. You can help protect healthcare workers and hospices by signing the Bios Centre **online petition**.

It calls on Health Secretary, to protect conscientious objection rights for religious and personal beliefs. *Sign the petition at bioscentre.org/petition-on-conscience-protection or scan this QR code with your smartphone/*
